 - Week 2- 3/21-3/27
 - Week 3- 3/28-4/3 (2 events this week)
- Championship- 4/18-4/24
- Tournament Structure
 - Approximately 25-30% of teams advance to the next level
- State Championships will be 24-30 teams

Event Registration and Invoices

- Link to register- <http://bit.ly/2021FLLEventRegistration>

Teams that have paid and completed event registration have been placed, and Week 1 teams have been invited to the Remote Event Hub.

If you have not received your invoice, email accounting@firstwa.org with your team number.

***If you plan to compete and have not paid your FIRST Washington invoice or filled out event registration, please do so by tomorrow!**

Global Innovation Award

This season we will be selecting 2-3 teams from each qualifier event to move forward to a separate judging for the Global Innovation Award.

- Selected teams will need to submit documentation and information about their Innovation Project to those judges for review.
- All materials will be due by April 4th.
- Make special note of this if you are competing the last week events, you will need to be ready to submit after the event.

4 teams will be selected to submit their Innovation Projects to the Global Innovation Awards
