After you click 'Manage Contacts', it will take you to this screen, where you print your roster-

As you can see, mine is greyed out and has help text. I am unable to print because I do not have a lead coach 1 and a lead coach 2 assigned and passed the youth protection screening (ypp)

If your students are not listed on your roster with a green check mark, then they are missing something. If you have no students listed, email me and I will send you the paper consent forms for the parents to sign.

You must bring the consent forms and roster to every event your team attends- regardless if there are students listed or not!
