

EXPLORE

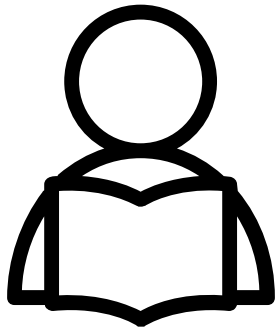

WHO is FIRST Washington?

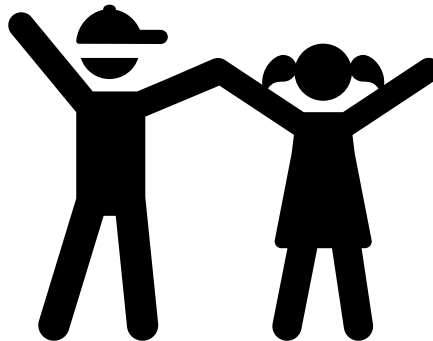

FIRST Washington’s vision is to empower more young people from diverse backgrounds to become leaders and innovators in STEM. Our mission is to inspire diverse young people to participate in team-based STEM programs supported by a knowledgeable volunteer community.

WHAT is FIRST LEGO League Explore?

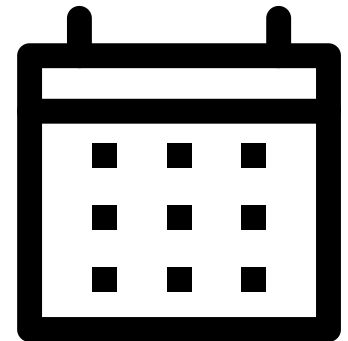

FIRST® LEGO® League Explore is an exciting opportunity for budding young scientists. It encompasses core concepts from the other FIRST® programs to inspire, excite, and introduce kids to the wonders of science, technology, engineering, and math.

Students: grades 2-4

Team: 2 adults and 3-6 kids

Season Length: 6-12 weeks

Registration Period: May 2023 - April 2024

Experience: No experience required for students, mentors, or coaches!

FIRST LEGO League Explore is designed to build interest in science and technology through a real-world challenge that can be solved using research, critical thinking, and imagination.
