

***FIRST***<sup>®</sup>

**AGILE**<sup>™</sup>

PRESENTED BY **Qualcomm**

**December 16 FRC Coaches Chat**

# Make sure you are ready for kickoff!

- Ensure your registration is secured so you can pick up your kickoff kit. You can check the status of your registration here:  
<https://firstwa.org/frc-team-status/>
- If you are attending a kickoff, be sure to print your roster to turn in (if asked) I wouldn't stress if all of your students aren't listed but technically we are supposed to collect them so please have them available)
- If your lead or alternate coaches are **not** picking up the kickoff kit, be sure you have filled out a surrogate form so that your "surrogate" does not encounter issues picking up their kit.

## After Kick Off, now what?

Many Teams use the Sunday directly after Kickoff as a Brainstorming idea day.

\*FRC360 opens their space for any and all teams to attend to build off of each other

## Kickoff Experience Roundtable

**Eric Stokely**

*FIRST* Senior Mentor

**Believes kickoff is the most  
important day!**

**Team 2811
