CHAOS THEORY

LEGO® Build Space

Team 1595 will host an activity space open to children in the afternoon for open play during qualification matches. There will also be information on how to start and mentor a Lego League team.

Byte Sized Builders!

- Fun activities for younger visitors!
- Drive Robots!
- Build things!
- For all ages especially < 12 yrs

Come find us in the Pits

Sponsored and organized by
Stealth Robotics FRC 4089

DCMP Mentor Lounge

A quiet place for mentors to get away from the hustle and bustle of the tournament and collaborate with adults from other teams

Dates/Time:

- Thursday (4/9): 10am to 5pm
- Friday (4/10): 10am to 5pm
- Saturday (4/11): 9am to 2pm

Light snacks, water and coffee will be provided

Calling All Student Musicians!

- The continuation of a pre-pandemic PNW tradition!
- In previous years, we've organized a student band or orchestra to perform the National Anthem at opening ceremonies. Last year, we revived the tradition. We'd like to do this again at the 2026 District Championships.
- All instrumentalists and vocalists are welcome.
- We will have 2 rehearsals in the Dance Studio:
 - 5:00 PM Thursday
 - 4:00 PM Friday
- Click this link to sign up: [Sign Up!](#)

Wazzu Racing - FSAE

Learn about Formula Student Racing opportunities in the PNW from FRC alumni!

TIARA FRIDAY - 4/10/2026

PNW District Championships

Wear a tiara to show support for women in STEM!
Forget a tiara? Create one at the free, DIY Tiara Table!

Hosted by 1540, 1778, 2046, 6696, 7034, and 9450

Mechanical Engineering & Technology

TOURS

Robotics, PLCs, Metallics, Wood, Materials, Project Labs & Clubs

Friday, April 10, 2026 | 11am OR 2pm

Meet at the Pit Admin in the Fieldhouse

FIRSTWA Listening Session

Hosted by FIRSTWA staff and community members

FIRSTWA strives to make your team's experience the best it can be!

Support us in this mission by dropping by our listening session and telling us:

- What is working for your team
- What has negatively impacted your team
- Where you most need support

Sessions will be held at all FRC District Events and the District Championship Event.

Please see the individual event schedules for workshop date and time.

Business Chemistry – Adapt Your Leadership Style

DETERMINE YOUR OWN BUSINESS CHEMISTRY TYPE

Recognize what energizes your leadership qualities and how you can empower them to advance your projects.

UNDERSTAND OTHERS

Learn how to identify the four Business Chemistry types to help you develop a hunch about other people's working styles through observation

EXPLORE YOUR TEAM

Discover your team's composition and unique characteristics

ADAPT YOUR STYLE

Explore ways to engage more effectively with individuals and your team

PUT CHEMISTRY TO WORK

We practice what we teach by creating fun and memorable experiences that engage participants through active learning

OUR MISSION

GEMS is dedicated to empowering underrepresented students in STEM through impactful communication, confidence-building, self-awareness, and navigating microaggression. By providing workshops meant to build confidence and inspiration, we try to break down barriers, elevate voices and bridge the gap felt by gender minorities in STEM.

GENDER
EQUITY for
MINORITIES in
STEAM

Join us to learn about Gender Equity in STEAM!

[@gems.firstrobotics](https://www.instagram.com/gems.firstrobotics)

GOALS

By the end of the next 2 years, GEMS hopes to reach and provide mentorship to 500 gender minorities, increase their leadership roles by 20%, and provide help to gender minorities out of Washington.
